

# LEAGUE LEADERS MASTERED

Wycombe Wanderers Res. 6  
Enfield Res. 0

Wycombe Wanderers Reserves put on a tremendous performance to master, completely, the hazardous icy conditions and the powerful reserve side of mighty Enfield, the Isthmian League leaders.

The whole team, especially in the second half, gave a magnificent display of controlled, open football and the Enfield side, try as it did, could do nothing to contain the enterprising and fluent home team.

The reserves went ahead in glorious style, with Cooney jumping high to head the ball wide and high past a dumb-founded Enfield keeper.

It was all Wycombe after the interval when they frequently opened gaps in the Enfield defence by good running off the ball and then used the through ball to great advantage.

First Cooney collected a through pass, took the ball to the end line and then hit it hard towards goal, for Freeman, well positioned to steer the ball into the net. Then Viv Busby skilfully pulled the ball back from the left-hand side of the goal and squeezed it into the net. Another Freeman-Cooney combination led to Cooney scoring the fourth.

Enfield did not fold completely but they were limited to a couple of difficult scoring chances by a sure footed and quick covering Wycombe defence in which Keith Stephenson, a former Sunderland reserve, made an impressive debut and Brian Vousden backed up well. It was Vousden's quick thinking that brought the reserves' fifth goal when he squared the ball to Busby who placed it gently by the advancing keeper. With a few minutes to go Freeman completed the rout cracking in a shot from 15 yards.
